Date: 2 April 2026

From: Department of War (DoW) Personal Property Activity (PPA), Scott AFB, IL 62225

To: All Military Service Headquarters Representatives, Worldwide Personal Property Shipping Offices (PPSOs), Personal Property Processing Offices (PPPOs), and DoW-Approved Personal Property Transportation Service Providers (TSPs)

Subject: Updated Guidance on Fuel Surcharge (FSC) Table for Personal Property Movements

1. Effective 05 April 2026, the FSC will be adjusted on a weekly basis. This procedure supersedes the previous monthly adjustment schedule and will remain in effect until further notice.

2. The adjustment will be based on the U.S. On-Highway Diesel Fuel Price published weekly by the EIA. This data is publicly available on the EIA website at https://www.eia.gov/petroleum/gasdiesel/.

3. The formula for calculating the FSC remains unchanged. TSPs will continue to be paid 1% (one percent) of the linehaul rate for every $0.13 (thirteen cents) by which the weekly published EIA fuel cost exceeds the $3.50 baseline. All other provisions of the existing fuel policy remain in full effect.

4. The Fuel Surcharge (FSC) Table will be updated to reflect this change and is available for reference at: https://www.ustranscom.mil/dp3/pdfs.cfm.
